MTA Transit-Community Center, Conference Room,
Located at 601 West Franklin Street, in Shelton, Washington
- **5:00 PM, Monday, August 24, 2015**
Belfair Timberland Library, Large Meeting Room,
Located at 23081 State Route 3 in Belfair, Washington

Mason Transit Authority was awarded a four-year Regional Mobility grant in order to create a regional express commuter service that provides more direct bus service between Olympia, Shelton, Belfair, and Bremerton.

Mason Transit Authority wants to implement changes to improve efficiency and effectiveness to current services, as well as to assure current routes make positive connections with the new regional commuter express service.

Proposed service changes impact seven out of nine routes, those being Routes 1, 2, 3, 5, 6, 7, and 8.

Details outlining the proposed changes will be made available upon request and on our website at www.masontransit.org/public-hearings starting August 17, 2015.

Proposed service changes will go before the MTA Authority Board for adoption at their regular meeting on September 15, 2015. Approved changes will be implemented on November 2, 2015.

For additional information, please contact Kristi Evans, Operations Coordinator, at 360.432.5725.

Written questions and/or comments may be submitted to Mason Transit Authority via email, fax, or regular post and need to be received prior to 4:00 PM on Monday, August 24, 2015 at:
