The 2017-2022 Transit Development Plan (TDP) is Mason Transit Authority's annual update as required per Washington State RCW Section 35.58.2795 for Public Transportation System's — Six-Year Transit Plans. This report provides summary information for 2016 as well as projected development for 2017-2022. The TDP details MTA's current service, infrastructure, equipment and financial outlook and provides a six-year forecast of service development, capital investment and budget assumptions, as well as the 2016 annual report to the community.

Distribution of the draft will be made available on Mason Transit Authority's website www.masontransit.org

For additional information, please contact Mike Oliver, MTA Development Manager, at 360.432.5710.

Written inquiries and comments may be submitted to Mason Transit Authority via email or regular post and must be received prior to 4pm, Wednesday, August 9, 2017 at: (360) 426-9434 or 1-800-374-3747, 790 E. Johns Prairie Road, Shelton, WA 98584 Email: moliver@masontransit.org
