

Public Hearing Proposed Service Changes

Mason Transit Authority will hold public hearings to receive comments on the proposed service changes to be implemented in October 2017 at meetings on:

Wednesday, June 21, 2017 at 5:00 PM
North Mason Timberland Library, Conference Room

Thursday, June 22, 2017 at 5:00 PM
Transit-Community Center, Conference Room
601 West Franklin Street in Shelton, WA

We are proposing to make adjustments to weekday service to Routes 1 & 6 and to Route 6 on Saturday. The proposed service adjustments to the weekday service are to improve our commitment to the Regional Mobility Grant; funding that we received for express service.

All participants are welcome at MTA's public hearings. Meeting locations are ADA accessible. If you anticipate needing any type of accommodation or have questions about the physical access provided, please call 360-426-9434 in advance and we will make every effort to meet accommodation requests.

Route 1 Proposal

- Combine the last two trips to Belfair during the week and provide one express trip in the evening.
- Combine the 5:35 p.m. trip to Shelton with the express trip in the evening.

Route 6 Proposal

- Provide only express service to Olympia in the morning and in the early evening. The express service to Olympia would be rerouted to serve Olympic Hwy. S.
- Provide service to Olympia every other hour on Saturdays.

Time and routing adjustments may change between now and following the public hearings.

Questions and comments are welcome and accepted until 4:00 PM on June 22, 2017.
