

MTA to hold Log Yard Road meeting

Mason Transit Authority will present another open house about the intersection at state Route 3 and Log Yard Road, just north of downtown Belfair.

The agency plans to build the Belfair Park & Ride near the intersection and is seeking public input on how to accommodate it.

Representatives from the consulting firm, SCJ Alliance, will address comments from the previous meeting

in March and offer a draft of the intersection analysis.

The meeting begins at 5:30 p.m. on Tuesday at the HUB Center for Seniors, located at 111 NE Old Belfair Highway, Belfair.
