MTA has recognized the need for minor adjustments to Routes 4, 5 and 9 and are proposing the following changes to be implemented on June 6, 2016.

#### **Route 4**

- The North Mason HUB Center for seniors will be opening in May; we are proposing that Route 4 be rerouted to serve the North Mason HUB Center. Minor timepoint adjustments may be needed.
- Due to lack of ridership to the Post Office area on the 5:05 trip, we are proposing to not serve the post office area on this trip.
- Due to lack of ridership on Matthew & Barbara Blvd, we are proposing that the Route 4 be rerouted to no longer serve Matthew & Barbara Blvd.
- Due to rider feedback we are proposing that the Route 4 serve the Library and the Harrison Medical Center on the 10:05 am and the 12:05 pm trips.

#### **Route 5**

- MTA has rerouted Route 5 off of Laurel St. and onto Birch St.; we are proposing to make this a permanent change.

#### **Route 9**

- MTA has rerouted Route 9 off of Laurel St. and onto Birch St.; we are proposing to make this a permanent change.
- To better serve Mason County residents and to make positive connections with routes 5, 6, 7 and 8, we are proposing that the 8:10 am departure of Route 9 depart earlier at 7:45 am.

The proposed changes will be made available upon request and on will be on our website at [www.masontransit.org/public-hearings](http://www.masontransit.org/public-hearings) by April 8, 2016.
