Schedule Legend on Next Page

Schedule Effective March 11, 2016

All times listed are bus departure times and times in **BOLD** are **PM**.

- X Express Service; the letter 'X' represents the route being in "Express", which means faster travel due to *limited stops and no flag stops*.
- The bus stop not served at that time is represented by a symbol of three dashed lines.
- ❶ Timepoint; a black circle with a number in it represents a timepoint, which is a bus stop at a primary location and correlates on the route map to show in what order stops are served. There may be bus stops or flag stops between timepoint locations listed. There are generally several stops between timepoints. You can use the timepoints to estimate the time a bus will arrive to your stop.
- ❷ Transit Center and/or Transfer Point; a blue circle with a number in it represents a location where you can transfer to another MTA route or make regional connections with other transit agencies.
