

RIBBON CUTTINGS

On August 18 MASON TRANSIT AUTHORITY opened its thoughtfully designed Parking Lot Plaza, serving the Transit-Community Center. Rather than pavement or gravel, the site boasts beautiful tiles which are designed to filter water, then contain it in a membrane before it is routed into the stormwater system.

Just before the Stay Home, Stay Safe order went into effect, T'S CAFÉ & ESPRESSO opened. Finally, on September 18, their ribbon cutting marked the celebratory, public commemoration. The café is open daily and serves Batdorf & Bronson coffee as well as salads, paninis, wraps, muffins, cookies, pastries, savory scones, as well as grab and go lunches & snacks and an assortment of beverages.

BRADLEY AIR COMPANY recently built out its shop facility, housing its office and materials for residential and commercial services. The ribbon cutting gathered the company's staff along with select customers and vendors for a celebration held on October 15.

NEW MEMBERS
