Plan Adoption, Public Hearing and Distribution

Plan Adoption

Mason Transit Authority (MTA) Board of Directors adopted the 2026 Transit Development Plan on July 21, 2026.

Public Participation Process

Public Comment Period: June 17, 2026–July 21, 2026
Comments Submitted to: MTA@masontransit.org
Mason Transit Authority
Amy Asher, General Manager
790 E Johns Prairie Rd
Shelton, WA 98584

Public Hearing: Mason Transit Authority held one public hearing on the Transit Development Plan on July 21, 2026 at 1:00 pm at the Transit-Community Center, 601 W Franklin Ave, Shelton WA 98584. The public hearing was held in conjunction with the Board’s regularly scheduled meeting.

Notice Posted to Website: MTA posted a notice of the hearing on the Transit Development Plan to its website at www.masontransit.org on June 17, 2026.

Notice Published in Local Paper: The Shelton Journal published a notice of the hearing on the Transit Development Plan on July 2, 2026.

Requests for Paper or Digital Copies: MTA allowed the public to request a paper or digital copy of the Transit Development Plan on and after June 16, 2026 by emailing MTA@masontransit.org. or by calling (360) 426-9434.

Available to the Public for Review: MTA allowed the public to view a copy of the draft Transit Development Plan at the Mason Transit Authority Business Office, 790 E Johns Prairie Rd, Shelton, WA 98584 and at the Transit-Community Center, 601 W Franklin Ave, Shelton, WA 98584.

Plan Distribution

On July 23, 2026, Mason Transit Authority distributed the adopted Transit Development Plan to:

- PTDPlans@wsdot.wa.gov
- The agency’s assigned WSDOT Community Liaison.

- The Transportation Improvement Board via:
 - Vaughn Nelson, Finance Manager at vaughnn@tib.wa.gov
 - Chris Workman, Engineering Manager at chrisw@tib.wa.gov
- All cities, counties and regional transportation planning organizations within which Mason Transit Authority operates.

Description of Service Area, Operations and Facilities

Service Area

Mason Transit Authority serves the general public throughout Mason County and provides regional connections with other transits and modes of transportation.

Regional connections with other transit systems occur Monday through Saturday with Intercity Transit, and Grays Harbor Transit in Olympia; Kitsap Transit and the Washington State Ferry system in Bremerton; Grays Harbor Transit in McCleary; and Jefferson Transit at Triton Cove State Park. Regional connection with Squaxin Transit occurs Monday through Friday at the Squaxin Island Tribe Park and Ride Facility near the intersection of SR-101 and SR-108.

The majority of MTA's connecting services are at transfer facilities located near services that allow connections to other ground transportation including Washington State Ferries in Bremerton and Greyhound and Amtrak in Olympia.

Service is available to persons traveling to and from area schools including Olympic College, South Puget Sound Community College, Evergreen State College, and Grays Harbor College by using MTA to transfer to Intercity, Grays Harbor and Kitsap Transit systems at respective transit centers.

Route schedules and maps can be found on MTA's website at <http://www.masontransit.org/>

Operations

MTA has been slowly and sustainably increasing service as new drivers are hired. MTA's days of operation are Monday – Saturday.

MTA provides services consisting of local and regional deviated fixed routes, Worker/Driver commuter service to Puget Sound Naval Shipyard (PSNS) and Demand Response (general dial-a-ride).

Current hours of operation are 3:25 a.m. to 9:00 p.m., Monday through Friday, and 6:00 a.m. to 7:45 p.m. on Saturday. There is no service on Sunday, and either no service or reduced service on observed holidays, which are listed on MTA's website.

MTA operates thirteen (13) Fixed Routes on weekdays and seven (7) routes on Saturdays that allow deviated service to persons traveling off designated routes. Dial-A-Ride service operates in rural areas where there is no fixed route service or where deviations are not possible. It also operates in populated areas of Mason County for people who have difficulty using the routed service. All Dial-A-Ride service is open to the general public. Riders using Dial-A-Ride can make a trip request from two (2) weeks prior to the preferred pick-up time but may request a ride at any time if there is availability. All vehicles in MTA scheduled service are equipped with bike racks and are accessible to persons with disabilities.

MTA coordinates all service requests with other local and regional area transportation providers. Squaxin Transit coordinates local service with MTA regional service at Kamilche. MTA partners with local and regional human and social services providers so that the best service possible is provided throughout the region on a regular basis.

Page | 6

Table 1 – 2025 Fares*

Fare Type	Adult (19+)	Youth (6-18)	Seniors (65+)
Fixed/DAR	Free	Free	Free
Transportation Incentive Program Pass (PSNS)	\$110/month	Free	\$110/month

*Fares in the table are reported as of the date of publication. By its adoption of Resolution No. 2022-19, the Mason Transit Authority Board (the “Board”) approved a pilot program to suspend fares for all services except the premium Worker/Driver Routes, where only those aged 18 and under ride free, during the period of January 1, 2023 through December 31, 2025. By Resolution No. 2024-16, the Board amended Resolutions Nos. 2022-10 (relating to youth 18 and under) and 2022-19, to extend the end date of the Zero Fare Pilot Program to June 30, 2027.

Those who qualify for a reduced fare due to a disability and plan to use neighboring transit agency systems that do charge a fare are able to apply for a Regional Reduced Fare Permit through MTA. To qualify for reduced fare due to a disability, riders are required to show a Regional Reduced Fare Permit (RRFP) card. RRFP eligibility is based on age, disability or possession of a Medicare card. Personal care attendants ride free when accompanying a person with a RRFP.

Transportation Incentive Program (TIP) passes are available for Worker/Driver routes to and from Puget Sound Naval Shipyard for day shift employees. Routes originate in Belfair and Shelton.

Facilities

MTA operations (including CDL training), maintenance, fleet yard, administrative facilities and employee parking are located at 790 E. Johns Prairie Road in Shelton, Washington. All drivers report to this primary base to begin and end their shift.

MTA owns the Transit-Community Center, formerly the Shelton Armory, located at 601 W. Franklin St. in Shelton, Washington. The facility was renovated with additional new construction transforming the original armory built in the 1950s to a modern, ADA accessible Transit-Community Center (T-CC).

In early 2022, MTA completed the construction of a park and ride and facility in Belfair. The lot contains 100 parking stalls and a building consisting of MTA office space, a meeting room, bathrooms, a kitchen, breakroom and future customer service area. The park and ride is located off the roundabout, also constructed by MTA, at 25250 NE SR 3, in Belfair.

Park and Ride Lots

MTA supports a network of park and ride facilities that are located throughout Mason County. Approximately 330 parking spaces are provided at five facilities owned and operated by Washington State Department of Transportation, Mason County, Mason Transit, and the City of Shelton. While MTA manages and provides routine light maintenance to these locations, the agency does not own the properties, except for Belfair.

MTA's Belfair Park and Ride, 2022.

State and Agency Goals, Objectives, and Strategies

From 2026-2031, Mason Transit Authority will focus on the six agency goals in Table 2 below. The table shows how MTA's local priorities align with state goals established in the Washington State Transportation Plan.

Through its mission, Mason Transit Authority strives to provide transportation choices that connect people, jobs and community; increasing the quality of life in Mason County. To that end, MTA's proposed project and action strategies line up with the mission statement and the state's public transportation objectives that are established by the Washington State Legislature through RCW 47.04.280.

The state's six policy goals are:

- **Economic Vitality:** To promote and develop transportation systems that stimulate, support, and enhance the movement of people and goods to ensure a prosperous economy.
- **Preservation:** To maintain, preserve, and extend the life and utility of prior investments in transportation systems and services.
- **Safety:** To provide for and improve the safety and security of transportation customers and the transportation system.

- **Mobility:** To improve the predictable movement of goods and people throughout Washington State, including congestion relief and improved freight mobility.
- **Environment:** To enhance Washington's quality of life through transportation investments that promote energy conservation, enhance healthy communities, and protect the environment.
- **Stewardship:** To continuously improve the quality, effectiveness, and efficiency of the transportation system.

Table 2: 2026 – 2031 Goals, Objectives, and Strategies, and Alignment with State Goals

Goals, Objectives and Strategies	State Goal Areas					
	Economic Vitality	Preservation	Safety	Mobility	Environment	Stewardship
Goal I: Provide a safe and secure transit system for the agency and the public.						
Objective 1.1 - Emphasize safety of MTA riders, citizens and employees in all aspects of MTA operations.						
L&I inspection of T-CC, JP and Belfair facilities.			X		X	
Review WSTIP's Best Practices in the area of safety.			X			
Update Safety Manual and include an emergency safety plan.			X	X		X
Hold regular MTA Safety Meetings.			x			x
Replace vehicles to comply with State of Good Repair goals.		X	X			X
Objective 1.2 - Ensure training for a safe and secure experience for all and to eliminate preventable accidents.						
Quarterly Driver training and refresher training as required.		X	X			
Ensure L&I safety compliance through training.			X			
Objective 1.3 - Proactive approach to safety throughout the agency to increase and improve security throughout the service area.						
Change from flag stops to fixed stops in urban area of Shelton.			X	X		X

Goals, Objectives and Strategies	State Goal Areas					
	Economic Vitality	Preservation	Safety	Mobility	Environment	Stewardship
Participate in Mason County Emergency Preparedness Meetings.			X	X		
Objective 1.4 - Enforce transit rules and establish consistency of service to riders in a safe, accessible manner.						
Adjust for any mandates as needed.			X	X		X
Goal 2: Effective Transportation Services						
Objective 2.1 - Creating a positive transportation experience within all modes of MTA services that is reliable, accessible, equitable, safe, secure and comfortable for all users.						
Continue to adjust where needed to improve service as community needs change.		X				X
Continue to provide timely, accurate, and clear service updates to the public.			X	X		
Objective 2.2 - Establish a culture of customer service and deliver services that are responsive to community needs.						
Benchmark route performance and discontinue or adjust low performing routes.						X
Objective 2.3 - Strive to look for ways to improve service through a variety of tools including outreach, community meetings, service review and passenger amenities.						
Review Dial-a-Ride services and hours to ensure efficiency and availability of resources.				X		X
Conduct outreach for all service changes.	X					X
Improve passenger amenities by providing apps and on-line scheduling and bus stop amenities.			X	X		X
Objective 2.4 - Seek new opportunities to enhance the riders' experience through better route planning and additional services when feasible.						
Seek pilot route opportunities to reach more riders.	X					X
Explore on-demand service in Shelton and Belfair.	X	X		X		X
Goal 3: Financial Stewardship						

Goals, Objectives and Strategies	State Goal Areas					
	Economic Vitality	Preservation	Safety	Mobility	Environment	Stewardship
Objective 3.1 - Operate an efficient, cost-effective system.						
Continually review funding opportunities to leverage local resources.						X
Continue to plan for future capital needs and cost escalations by maintaining a reserve.						
Review internal policies and practices continually to ensure resources are used responsibly.	X	X				X
Objective 3.2 - Maintain internal controls and compliance over public resources.						
Plan for GASB changes.						X
Continue to support staff training in their field to maintain compliance with required regulations.						X
Continued work in public records management.						X
Goal 4: Community Partnerships and Transportation Choices.						
Objective 4.1 - Cultivate partnerships throughout the community.						
Participate in outside committees, regional planning organizations and boards.	X					X
Continue to work with PR firm to promote MTA services to the community.	X					X
Continue to coordinate with local jurisdictions on planning and construction projects.	X	X	X			X
Participate in community events and partnerships that promote MTA services to the community.	X			X	X	
Participate in mentorship programs at local schools and colleges.	X					X
Objective 4.2 - Provide transportation choices and support travel that uses less energy, produces fewer pollutants and reduces greenhouse gases in the region.						
Develop a fleet transition plan to determine if alternatively fueled vehicles are appropriate for our service area.	X	X			X	X
Support efforts to mitigate traffic congestion throughout the region.	X		X	X	X	X

Goals, Objectives and Strategies	State Goal Areas					
	Economic Vitality	Preservation	Safety	Mobility	Environment	Stewardship
Support groups like the PRTPO as well as partnering with other entities to help mitigate traffic. This includes using MTA's park & ride project for transit rider option to single occupant travel.	X		X	X	X	
Goal 5: Workplace Culture of Excellence						
Objective 5.1 - Provide an atmosphere where employees are valued and respected.						
Enhance meaningful employee recognition.						X
Ensure policies are up-to-date and current through a regular review cycle.						X
Engage employees via quarterly group meetings with management.						x
Objective 5.2 - Develop and empower employees.						
Promote skills and job knowledge through webinars, conferences and training.		X	X			X
Objective 5.3- Be an employer of choice in Mason County.						
Continue the Employee Engagement Committee for seeking opportunities to improve the work environment.		X				X
Continue to use Paylocity to communicate agency-wide announcements.						X
Board participation through designated committees.	X					X
Continue to provide opportunities for staff participation through designated committees.	X					X

Local Performance Measures and Targets

MTA uses various tools to measure performance by looking for key issues and opportunities that may impact the goals of the Agency. Performance indicators may relate to such things as funding, demographic changes, ridership decline or employee shortage. Measuring performance allows the agency leadership team to

look for ways to minimize the impact of shortfalls and strategize ways to meet the strategic goals and objectives.

The Transit Asset Management plan is used as a method to maintain and guide decisions on the Agency's assets, most importantly, rolling stock.

Table 3: 2026 – 2031 Performance Measurements and Targets

Performance Measure	Target
Technology Amenities	Provide apps and icons on the MTA website for customers to schedule
Passenger Amenities	Install lighting in all shelters. Finalize bus stop improvement plan and install fixed stops in City of Shelton.
Collisions	Collisions per 100,000 revenue miles less than or equal to 1.
Alternative Fuels	Convert 10% of fleet to a green, environmentally friendly alternative by 2025. (Achieved 2025 with entire fleet of diesel vehicles running R99 Fuel, and half of cutaways running on renewable propane).
Transit Productivity	Benchmark of 8 passengers per service hour; 39,000 rides per month. (Achieved in 2024).
Vehicle State of Good Repair	Maintain 80% of the rolling stock within a state of good repair.
Service Hours	To maintain levels of service hours at 1,300 per week at a minimum.

Plan Consistency

Mason Transit Authority is a voting member of the Peninsula Regional Transportation Planning Organization (PRTPO) and participates in the planning of regional projects, policies and program decisions. Information regarding MTA is submitted to the PRTPO's Coordinated Public Transit-Human Services Transportation Plan (the "Plan") to align with the region's goals. Projects are submitted to the Regional Transportation Improvement Program for inclusion in the State Transportation Improvement Program, when appropriate.

Within Mason County, the Mason County and City of Shelton Comprehensive Plans are used to coordinate consistency. MTA participates in the planning process and submits information to the Plan as required. Staff remain engaged with planning staff and local committees to maintain coordination. Both Mason County and the City of Shelton updated their plans in 2025.

Throughout the region, MTA coordinates with other connecting transit agencies in Jefferson, Kitsap, Grays Harbor and Thurston counties, as well as efforts to align with the ferry systems, Amtrak and Greyhound.

MTA continues its own strategic planning process by identifying goals, objectives and work plans. Annually, the work plan is reviewed to develop projects adhering to local, state and federal guidelines, implementing effective/efficient service planning changes, fleet replacement standards, facility upgrade and modernization planning and implementation, policy development and modification, and procedural standards.

MTA incorporates the Transportation System Policy Goals throughout all strategies. These goals as addressed in RCW 47.04.280 include preservation, safety, mobility, environment, economic vitality and stewardship.

Planned Capital Expenses

The following table reflects planned capital expenses for 2026-2031. Details of expenses are outlined in the Multi-Year Financial Plan section. For a variety of reasons, MTA has placed on hold its zero-emission fleet transition plan.

An effort to eliminate flag stops within the city limits of Shelton began in 2021 and continues in 2026. Future bus stop improvements will be further refined as we continue planning with the City to determine appropriate stop amenities according to ridership demand and adjacent road and pedestrian networks.

Table 4 – Planned Capital Expenses

Year Received/Expensed	Type	Preservation/Replacement (quantity)	Expansion/Improvement (quantity)
Vehicles			
2026	Light-Duty Alt. Fueled Cutaways	16	
2028	35' Coach (ordered 2026)	1	
2029	35' Coach for N. Mason Expansion (Order 2027)		1
2030	AWD ADA Minivans or similar	3	
2031	Light-Duty Alt. Fueled Cutaways	11	
Equipment			
2026	Pressure Washer	1	
2026	IT Equipment Replacement Laptops	17	
2027	IT Equipment Desktop Replacements	35	
2028	Security Updates - cameras and servers	1	1
2029	Bus Tablet Replacement	53	

Facilities and Infrastructure			
2026/27	Administration Building Upgrade or Replacement Planning/Design	1	
2026	Pavement Preservation - JP Base	1	
2026	Bus Stop Creation/Improvements	15	15
2027	Bus Stop Improvements	3	
2026	Propane Station in Belfair		1
2027	Safety Updates in Belfair Building		1
2027	Administration Building Upgrade or Replacement Construction	1	1
2027	Bus Stop Improvements	3	
2028	Satellite Maintenance Shop		1
2028	Bus Stop Creation/Improvements	3	
2029	Pavement Preservation - Park and Rides	1	
2030	Bus Stop Improvements	5	
2031	Pavement Preservation - JP Base	1	

Planned Operating Changes

Table 5 outlines Mason Transit's planned operating changes for 2026-2031.

Table 5 – Planned Operating Changes

Year	Type	Reduction	Expansion/Improvement
2026	Adjust routes to serve new developments.		X
2026	Continue Mobility Management/Travel Training.		X
2027	Conduct Transit Service Analysis to determine new service needs.		X
2027	Incremental service hour increases on Route 3 between Belfair and Bremerton to accommodate increased growth in the area – 520 revenue service hours		X
2027	Increase Supervisor FTE's to accommodate operational expansion in 2027 in North Mason		X
2028	Continue incremental service hour increases on Routes 1 between Shelton and Belfair to accommodate increased growth in the area – 1,040 revenue service hours.		x
2029	Increase operator FTE by 1 to accommodate operational increase in North Mason.		X

2029	Continue incremental service hour increases route 3 between Belfair and Bremerton to accommodate increased growth in the area – 520 revenue service hours.		x
2030	Continue incremental service hour increases route 1 between Shelton and Belfair to accommodate increased growth in the area – 1040 revenue service hours.		x
2031	Continue incremental service hour increases route 3 between Belfair and Bremerton to accommodate increased growth in the area – 260 revenue service hours.		X
2031	Continue to add and adjust service as community needs are identified.		X

Multiyear Financial Plan

Capital Improvements:

- ❖ Future vehicle replacements are expected to be funded with at least an 80% federal or state grants with a 20% match from local sales tax funding. Vehicle costs include the estimated contract price increases as outlined in the State Department of Enterprise Services contract. Cutaway vehicle costs beyond 2026 include a 4% per year annual increase to estimate year of expenditure amounts. The one coach replacement is estimated at a 7% increase over our most recent 2024 purchases with the new state contract.
- ❖ Feasibility studies are to be conducted for the administration and operations building at John's Prairie, and satellite maintenance facility station in Belfair.

Facility improvements, preservation and expansion that extend the life of buildings and facilities according to MTA's capitalization standards are expected to be funded by grants with local funds used as match. Building repairs or replacement to such equipment will be funded by reserves and appropriated through the capital budget presented annually.

Table 6 – Capital Improvement Program

Category	Capital Expenditure	2026	2027	2028	2029	2030	2031
Revenue Vehicle	Cutaways and propane conversions	2,715,530				300,000	2,130,564
Revenue Vehicle	Coaches		770,708		824,658		
Non Revenue Vehicle	Non-Revenue Vehicle	72,829			75,000		
Technology	IT Equipment	239,000	77,000	25,000	50,000		
Equipment	Pressure Washer Replacement	6,000					
Facilities	Lockers	7,000					
Facilities	Badge Access Locks	5,000					
Facilities	Belfair Customer Service Remodel			100,000			
Facilities	Bus Stop Improvements	200,000	49,000	46,880	47,756	48,711	
Facilities	Pavement Preservation JP Base, Park&Rides	100,000			150,000		150,000
Facilities	Belfair Propane Fueling	25,000					
Facilities	Capital Facility Planning/repairs (JP, P&R)	895,000					
Facilities	Administration building upgrade or replacement		12,000,000	8,000,000			
Facilities	Belfair facility shop			1,000,000			
Facilities	Belfair Customer Service Remodel			100,000			
	Total Capital Expenditures	\$4,265,359	\$ 12,896,708	\$ 9,271,880	\$1,147,413	\$ 348,711	2,280,564

Operating Financial Assumptions through 2031

- ❖ Local Sales Tax – Sales Tax Revenues for 2026 are up 8% to date. Years 2026 – 2031 are conservatively projected at a 3% growth rate year over year.
- ❖ Competitive Operating and Capital Grants, State Formula Funding, and utilization of Sales Tax Equalization dollars (Rural Mobility Formula Funds) for 2026-2031 will be used in conjunction with local sales tax dollars to fund continuing and expanding operations and capital projects. The Climate Commitment Act led to an additional grant program, Transit Support Grants, and to a 50% increase in Paratransit Special Needs formula funding. While this funding source was predicted to last for 16 years, the most recent funding reports for Climate Commitment Act funding shows a significant decrease as early as the 2027-29 biennium. Planning for long range transportation operating and capital projects is difficult at best under these circumstances, which is why MTA continues only slow and incremental growth in service. MTA projects using more of its reserves to sustain continued programs and capital projects in future years. Reserves have been healthy due to the influx of Covid Relief funding, the last of which will be drawn for operating expenses in 2026.
- ❖ Fare Revenue – Fare revenue forecasts have been adjusted to recent ridership trends in the Worker-Driver Program. MTA is partnering with PSNS on a campaign to encourage the use of the Worker Driver program for shipyard workers. Given the recent fare free pilot project for MTA's other services, the assumption is a zero fare for 2026-2031.
- ❖ Salaries and Benefits – The salary and benefit budget was set to account for capacity for contract negotiations with both Drivers and Maintenance bargaining units. This budget also assumes the addition of one Supervisory

position in 2027 and one additional driver in 2029 to accommodate incremental service increases in the North Mason and Bremerton area.

Table 7 – Operating Financial Plan

	2026 Budgeted	2026 Projected	2027 Projected	2028 Projected	2029 Projected	2030 Projected	2031 Projected

Projects of Regional Significance

Mason Transit Authority completed its project of regional significance in 2022 with the construction of a series of park and rides throughout Mason County. The next significant work for MTA will begin with the re-development of the

MTA John's Prairie Base. Re-development will include accommodations for expanded fleet, and an operations and administrative building that is ADA compliant and allows for room to accommodate MTA's future growth.

Agency History, Organizational Structure, and Outreach Coordination

Mason County Public Transportation Benefit Area, doing business as Mason Transit Authority (MTA), is a Public Transportation Benefit Area (PTBA), authorized in Chapter 36.57A RCW. Located in Mason County, Washington, the Mason County voters approved the PTBA in November 1991 and began public transportation service in December 1992. The service area includes all of Mason County, if road access is available, with connections to adjacent counties.

The proposition imposing a sales and use tax of two-tenths of one percent (0.2%) to fund public transportation was also passed in 1991, creating a prepaid fare system service. In the aftermath of Initiative 695 and the elimination of Motor Vehicle Excise Tax that was available to transits, the voters were asked to approve an additional four-tenths of one percent increase (0.4%) in 1999. The first attempt failed but was successful when County residents responded with an approval of the additional sales tax increase on September 18, 2001. This raised the taxing base to six-tenths of one percent (0.6%) or \$.06 on every \$10 of retail sales, effective January 1, 2002. MTA then began to charge a fare, but only for routes going out-of-county.

Board of Directors:

The Mason County Public Transportation Benefit Authority Board of Directors is composed of ten members as follows:

- Three (3) elected members representing Mason County Commissioners;
- One (1) elected member representing the City of Shelton Council;
- Five (5) members who shall be elected officials selected by the Mason County Commissioners with the goal of seeking equal voting representation among the County Commissioner Districts. The recommendation was approved by

Mason County and the City of Shelton pursuant to Resolutions Nos. 71-17 and 1112-1217, respectively; and on October 25, 2021, and December 16, 2025, approved by motion to keep the Board structure the same and to make no changes to the composition of the Mason Transit Authority Board.

- In accordance with revisions made to RCW 36.57A.050, there shall be one (1) non-voting labor representative recommended by the labor organization representing the public transportation employees.

Mason County Public Transportation Benefit Authority (MTA) Board Members at time of publication are:

- Randy Neatherlin, Mason County Commissioner (Chair)
- Wes Martin, Grapeview School District (Vice Chair)
- Tom Gilmore, City of Shelton Council
- Pat Tarzwell, Mason County Commissioner
- Sharon Trask, Mason County Commissioner
- Cyndy Brehmeyer, Mary M. Knight School District
- Richard Lee, Pioneer School District No. 402
- Judy Scott, Port of Allyn
- Pamela Schlauderaff, Mason County Public Hospital District No. 1
- Zachary Collins, Bargaining Unit Representative (non-voting)

Citizen Adviser to the Board:

Effective January 1, 2019, there may be one (1) non-voting representative of the public residing in Mason County, Washington, as a citizen adviser to the Board. The citizen adviser to the Board shall serve for a period of one year (unless extended by motion by the Authority Board).

At the time of publication of the Transit Development Plan, the position of the Citizen Adviser to the Board was filled by:

- John Piety

Public Outreach:

MTA staff is committed to public engagement and transparency through robust public interaction that informs, involves, and empowers people and communities. Staff participate in several opportunities to promote and educate citizens through the following methods:

- Public meetings
- Media –print and radio
- Community events and meetings
- Presentations
- Website improvements
- Social Media

The public outreach program includes:

- Developing an awareness of MTA services with non-riders through presentations, media and community events.
- Engaging riders and the general public by soliciting feedback through active seeking of information by face-to-face interaction and surveys.
- Seeking opportunities to increase ridership amongst all community members.
- Visiting businesses to discover ways to assist their employees with transportation, either by using fixed-route or Dial-a-Ride.
- Promoting positive public image in the community and building relationships throughout.
- Public Hearings for service changes, Transit Development Plan (TDP), fare changes, and other topics that impact citizens.

There are comment cards on MTA vehicles to be filled out and submitted as a method to communicate compliments, complaints or other information a rider wants staff to be aware. Management or designated staff responds to the individual comment cards as appropriate.

Citizens may contact MTA through customer service or to an individual by the following methods:

Email: mta@masontransit.org

Phone: 360-427-5033 or 360-426-9434 or 800-374-3747

TTY/TTD: 711 or 800-833-6388

Website: www.masontransit.org

Individual staff members may be contacted through using the website or phone to locate email addresses or phone extensions.

For ADA needs, citizens may use the website or call customer service for assistance.
